Dear Mr. Riccitiello;

The Department of Transportation (Caltrans) received a letter dated October 30, 2014, from Golden State Bridge, Inc., (Golden State) protesting Myers and Sons/ACC Joint Venture (MS/ACC), based on violation of the "Subletting and Subcontracting Fair Practices Act". The protest states MS/ACC changed the scope of work for bid items to be performed by Safety Striping Services (Safety Striping) and Roadway Engineering Works, Inc. (REW). Golden State requests that Caltrans find MS/ACC nonresponsive and award the contract to Golden State.

Caltrans reviewed the bid documents submitted by MS/ACC and concluded that bid items #1 - Lead Compliance Plan, #6 - Traffic Control System (partial), and #61 - Mobilization (partial) not identified in the DVBE Commitment and Subcontractor List form are not part of the work to be performed by Safety Striping. Therefore, there is no error in MS/ACC's bid as the Subcontractor List form and the DVBE Commitment form are consistent. With regard to REW, MS/ACC identified REW on the Subcontractor List and not on the DVBE Commitment Form. No quotes were provided for REW's work. Therefore, there are no facts to support an improper subcontractor listing for REW.

Caltrans finds Golden State's protest does not have merit and will proceed to award the contract to the lowest responsible bidder.

If you have any questions, please contact Mulissa Smith, Contract Awards Manager, at (916) 227-6228.

Sincerely,

JOHN C. McMILLAN
